

North Sea

This jacket is machine knitted, but can also be knitted by hand.

24 stitches and 36 rows =
10x10cm(4x4inches)

Yarn: Kauni, 320 gram, 3mm needle.

The jacket is knitted sideways.

Row 1: knit

Row 2: purl

Repeat

Front (make 2): Cast on 146 stitches and knit until work measures 27,5 cm. Cast off.
Make one more.

Back: cast on 146 stitches and knit until work measures 50,5 cm. Cast off.

Sew the shoulders together. NB: Fold the first 10 cm, to make the V-shape. Pick up 120 stitches for the sleeve.

Decrease 1 stitch in each side every 6 rows until 60 stitches remains-

When the work measures 50 cm, knit 3 ridges. Cast off.

Sew the sleeves and the sides. Felt it very carefully.
